Expected Graduation Date	

Who can Join the CSUSB Accounting Association?

Membership is open to all business majors: accounting and finance students, regardless of class level or GPA. There are no attendance requirements to be a member. Members are strongly encouraged to participate in as many events as possible in collaboration with Beta Alpha Psi.

Why should I Join?

Being a member looks great on the resume. Employers are looking for students who do more than just sit in class—they want employees who were active on campus while in college and capable of balancing academics. Students can benefit from our weekly meetings which includes guest speakers from local CPA firms, Government entities, Private, Not-For-Profit and For-Profit sectors. The benefits provide learning about the firm and their culture, personal experiences, Q&A and life advices. We offer members the opportunity to participate and network in Beta Alpha Psi events such as Cal CPA, firm tours, mixers, external events with entities and Big Networking Events: **Meet The Firms & Spring Banquet**.
